Lakan Guro Rico Cortes (Director of FCS Tactical branch) will also be at this gathering to help out with the instruction and also to give some lectures on the FCS Tactical.

The main areas of attention during this seminar will be: single stick, knife, kerambit, sarong and espada y daga and FCS Tactical. You will of course be able to make requests regarding the contents of instruction in each of the areas.

I really look forward to welcoming you all to Drammen for this great Gathering!!

HOW TO GET HERE:

Once you get to the Oslo Airport (Gardermoen, the main airport in Norway) it's not all that difficult to get here.

The easiest way is just to buy at the airport a train ticket that takes you straight to Drammen. The tracks are to the right and down when you get through the doors after collecting your luggage. The ride is about 80 minutes. The train leaves about every 30 min. www.nsb.no

You may also take the fast train to Oslo first if you want to have a look at the capitol of Norway first.
